

**Leslie Becker** is an award-winning Broadway actress, singer and recording artist. Her rich, sultry voice weaves a spell of mystery and allure, and her chameleon-like versatility and impeccable storytelling makes her a highly sought after artist on both the stage and in the studio.

With award-winning producer **Joe Vulpis** at the helm (Lady Gaga and more), Ms. Becker's debut single "Slow Burn" is currently #5 on the AC Billboard/Hot AC chart with more than 10K spins on major market radio. Vulpis has surrounded her with a team of Grammy Award-winning programmers, musicians and mastering engineers who have created a song industry insiders say is "a monster hit!" Her second single hits radio this May just in time for her summer tour.

Along with her lush voice, this powerhouse triple threat is a classically trained pianist, a past member of the Westside Ballet Company and has appeared on Broadway in *Wicked*, *Amazing Grace*, *Bonnie and Clyde*, *Anything Goes*, *Cinderella*, *Ragtime*, *Nine* and more. She's also been seen on *Law and Order:SVU* and *Smash*. Combine that with several music projects on the horizon, and a new single coming in May, this is an artist who is breaking down barriers and letting her voice soar.

Ms. Becker has performed at Feinstein's 54Below, Sidewalk Café, The Duplex, The Commodore, The Jimmy Fallon Show, Don't Tell Mama, and in dozens of Broadway and national tour houses.
